

The Prince's Trust Team Programme

TASTER DAY Monday 30th September

@ Multicultural Centre Aylesbury

The Team Programme offers personal development training for people aged 16 to 24 years and is designed to re-engage young people, helping them to think about their futures and make progress towards employment, education or training.

During the 12 week programme, participants will:

- Learn the importance of team work
- Attend a three day team building residential
- Develop and learn new skills
- Undertake projects aimed at helping the local community
- Complete a work placement

The benefits of joining a Team Programme are:

- Realising own potential and gaining new skills and experience
- Working towards a valuable qualification
- Developing a CV and career aspirations
- Building confidence, motivation and enthusiasm
- Meeting new people and making new friends

Joining the Team Programme will not affect benefit claims.
